

Calling All Self-Advocates

What is Self-Advocacy?

Self-Advocacy is learning how to speak up for yourself, making your own decisions about your own life, learning how to get information so that you can understand things that are of interest to you, finding out who will support you in your journey, knowing your rights and responsibilities, problem solving, listening and learning, reaching out to others when you need help and friendship, and learning about self-determination.

Why is Self-Advocacy important?

So that you have the knowledge and information needed to succeed and are given the chance to participate in making decisions that will improve your quality of life. See more at:

Pathways Abilities Society is committed to providing the best services possible. This can only be achieved by the application of well thought out policies and procedures to guide the performance of each employee, contractor and volunteer, and outline for individuals and families how these services will be provided. Volunteers include the Board of Directors, practicum students and community members.

Just a friendly reminder...
When coming to Pathways please make sure to bring your (handyDART) pass if you have one, so it can be used for City Transit if required as well.

For the warm weather:
Please, ensure you bring a water bottle, sunscreen, hat and dress appropriately. Please label your items with your name or initials.

The policies and procedures enable staff, contractors and volunteers to carry out the mission and mandate of the organization within a valuing setting. They set a clear standard for service performance by stating the premises under which we operate and the expectations of the agency, its staff, contractors, volunteers and persons served. All policies and procedures are available on our website and at each service location. If you think a policy or procedure needs to be updated or changed or there is a policy or procedure missing-please contact Charisse at 250-763-4837 or via email at ed@pathwayskelowna.ca.
